3.300.000 €

INFO: Built in 1900, this fantastic house is a treasure that maintains all its splendor with original elements such as high ceilings with intact wooden beams, hydraulic tiles, and semicircular arches on columns that reveal the solemn character of the house. Located in the heart of Soller, in the middle of the Sierra de La Tramuntana with its valleys of orange and almond trees in bloom. This house offers plenty of space, 825m² on a 708m² plot. It has spacious rooms, light in its spaces, and a large garden to enjoy outdoor activities and summer dinners, where there is also the possibility of adding a pool. The main building offers spacious rooms, several living rooms, kitchen, laundry room, and storage rooms. and has 4 double bedrooms, 2 singles, 3 full bathrooms, and a guest toilet. High ceilings and hydraulic floors that recall the elegant style of a bygone era, large windows that allow you to enjoy spectacular views of the Sierra de Tramuntana. A special property with style and elegance that promise, with a convenient update, to achieve comfortable and updated spaces to the aesthetics and needs of the moment. In the basement, there is also a space suitable for a craft workshop, office, or cellar. It also has a garage for one car. A paradisiacal corner in the most emblematic village of the area.
